National foreword

This British Standard is the English language version of EN ISO 294-4:1998 *Plastics — Injection moulding of test specimens of thermoplastic materials — Part 4: Determination of moulding shrinkage,* published by the European Committee for Standardization (CEN). It is identical with ISO 294-4:1997 published by the International Organization for Standardization (ISO).

The UK participation in its preparation was entrusted to Technical Committee PRI/21, Testing of plastics, which has the responsibility to:

— aid enquirers to understand the text;

— present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;

— monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
