Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee PRI/21, Testing of plastics, upon which the following bodies were represented:

- British Apparel and Textile Confederation
- British Plastics Federation
- Department of the Environment (Building Research Establishment)
- Department of Trade and Industry (National Physical Laboratory)
- Electrical and Electronic Insulation Association
- GAMBICA (BEAMA Ltd.)
- Institute of Materials
- Ministry of Defence
- Packaging and Industrial Films Association
- PIRA International
- RAPRA Technology Ltd.
- Royal Society of Chemistry

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 May 1997

National foreword

This British Standard has been prepared by Technical Committee PRI/21 and is the English language version of EN ISO 306:1996 *Plastics — Thermoplastic materials — Determination of Vicat softening temperature (VST)*, published by the European Committee for Standardization (CEN). It is identical with ISO 306:1994, published by the International Organization for Standardization (ISO).

This standard supersedes BS 2782-1:Methods 120A, 120B, 120D and 120E:1990, which is withdrawn.
