National foreword

This British Standard has been prepared by Technical Committee CH/52 and is the English language version of EN ISO 3630-3:1996 *Dental root-canal instruments — Part 3: Condensers, pluggers and spreaders*, published by the European Committee for Standardization (CEN). It is identical with ISO 3630-3:1994 published by the International Organization for Standardization (ISO). EN ISO 3630-3 was produced as a result of international discussion in which the UK took an active part.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
