Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee NFE/27, Tin and tin alloys, upon which the following bodies were represented:

- Association of British Pewter Craftsmen
- British Plumbing Fittings Manufacturers' Association
- British Steel Industry
- Department of Trade and Industry
- EEA (the Association of Electronics, Telecommunications and Business Equipment Industries)
- International Tin Research Institute
- London Metal Exchange
- Metal Packaging Manufacturers' Association
- Ministry of Defence
- Solder Makers' Association

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 July 1995
