National foreword

This British Standard has been prepared by Technical Committee B/212, and is the English language version of EN ISO 4172:1996, *Technical drawings — Construction drawings — Drawings for the assembly of prefabricated structures*, published by the European Committee for Standardization (CEN). It is identical with ISO 4172:1991, published by the International Organization for Standardization (ISO).

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
