National foreword

This British Standard has been prepared by Technical Committee GME/33 and is the English language version of EN ISO 4566:1995 *Small craft with inboard engine — Propeller shaft ends and bosses with 1 : 10 taper*, published by the European Committee for Standardization (CEN). It is identical with ISO 4566:1992 published by the International Organization for Standardization (ISO).

Cross-reference

Publication referred to	Corresponding British Standard
ISO 1947:1973	BS 4500 <i>ISO limits and fits</i> Part 5:1988 <i>Specification for system of cone tolerances for conical workpieces from C = 1 : 3 to 1 : 500 and lengths from 6 mm to 630 mm</i>

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN ISO title page, pages 2 to 6, an inside back cover and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
