National foreword

This British Standard is the UK implementation of EN ISO 4619:2010. It is identical to ISO 4619:1998. It supersedes BS ISO 4619:1998 which is withdrawn.

NOTE The ISO has a typographical error in 9.1.1.6; “ethylene diaminetetraacetatic acid (EDTA)” should read “ethylene diaminetetraacetic acid (EDTA)”.

The UK participation in its preparation was entrusted by Technical Committee STI/3, Paint media and related products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 July 1998
