British Standard

ICS 87.060.20

National foreword

This British Standard is the official English language version of EN ISO 4625-1:2006. It is identical with ISO 4625-1:2004.

The UK participation in its preparation was entrusted to Technical Committee STI/3, Paints, media and related products, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
