National foreword

This British Standard has been prepared by Technical Committee CH/51 and is the English language version of EN ISO 4824:1996, *Dentistry — Ceramic denture teeth*, including amendment A1:2000, published by the European Committee for Standardization (CEN). It is identical with ISO 4824:1993, including Amendment 1:1997 published by the International Organization for Standardization (ISO).

EN ISO 4824:1996 was produced as a result of international discussions in which the United Kingdom took an active part.

BS EN ISO 4824:1997 supersedes BS 6817:1991 *Specification for porcelain denture teeth*, which is withdrawn.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the Section entitled “International Standards Correspondence Index,” or by using the “Find” facility of the BSI Standards Electronic Catalogue.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN ISO title page, pages 2 to 7 and a back cover.

The BSI copyright notice displayed in this document indicates when the document was last issued.

Sidelining in this document indicates the most recent changes by amendment.
