Amendments issued since publication

Amd. No.	Date	Comments
10686	February 2000	Implements the European Standard

National foreword

This British Standard is the English language version of EN ISO 61:1999, which is identical with ISO 61:1976.

Cross references

The British Standards, which implement International or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled “International Standards Correspondence Index” or by using the “Find” facility of the BSI Standards Electronic Catalogue.

Warning note. This method does not necessarily detail all the precautions necessary to meet the requirements of the Health and Safety at Work etc. Act 1974. Attention should be paid to any appropriate safety precautions, and the method should be operated only by framed personnel.

A British Standard does not purport to include all necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
