National foreword

This British Standard has been prepared by Technical Committee TDE/4 and is the English language version of EN ISO 6410-3:1996 *Technical drawings — Screw threads and threaded parts — Part 3: Simplified representation*, published by the European Committee for Standardization (CEN). It is identical with ISO 6410-3:1993 published by the International Organization for Standardization (ISO).

This British Standard partially supersedes BS 308-1. It is envisaged that when the full range of European Standards on technical drawing is implemented BS 308 will be withdrawn.
