Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Petroleum Standards Committee (PTC/-) to Technical Committee PTC/12 upon which the following bodies were represented:

- Association of Commodity Cargo Superintendents and Surveyors
- British Gas corporation
- Department of Energy (Gas Standards)
- Department of Trade and Industry (Marine Division)
- Department of Trade and Industry (National Engineering Laboratory)
- Department of Trade and Industry (National Weights and Measures Laboratory)
- General Council of British Shipping
- Institute of Petroleum
- Institution of Gas Engineers
- The Salvage Association
- UK Offshore Operators' Association Ltd.
- United Kingdom Petroleum Industry Advisory Committee

This British Standard, having been prepared under the direction of the Petroleum Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 December 1983

National foreword

This British Standard was prepared by PTC/12 and is the English language version of EN ISO 6551:1995 *Petroleum liquids and gases — Fidelity and security of dynamic measurement — Cabled transmission of electric and/or electronic pulsed data* published by the European Committee for Standardization (CEN). It is identical with ISO 6551:1982 published by the International Organization for Standardization (ISO).

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN ISO title page, pages 2 to 14 and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

English version

Petroleum liquids and gases — Fidelity and security of dynamic measurement — Cabled transmission of electric and/or electronic pulsed data

(ISO 6551:1982)

Liquides et gaz de pétrole — Fidélité et sécurité des mesures dynamiques — Systèmes de transmission par câbles de données, sous forme d'impulsions électriques et/ou électroniques
(ISO 6551:1982)

Mineralölflüssigkeiten und-gase — Genauigkeit und Sicherheit der dynamischen Messung — Elektrische und/oder elektronische Impuls-Datenübertragung über Kabel
(ISO 6551:1982)

This European Standard was approved by CEN on 1995-09-09. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.

Foreword

The text of the International Standard from ISO/TC 28, Petroleum products and lubricants, of the International Organization for Standardization (ISO) has been taken over as a European Standard by the Technical Committee CEN/TC 19, Petroleum products, lubricants and related products.

This European Standard shall be given the status of a national standard, either by publication of an identical text or by endorsement, at the latest by April 1996, and conflicting national standards shall be withdrawn at the latest by April 1996.

According to CEN/CENELEC Internal Regulations, the following countries are bound to implement this European Standard: Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and the United Kingdom.
