

Cellular plastics — Polyethylene — Methods of test

ICS 83.100

National foreword

This British Standard was published by BSI. It is the UK implementation of EN ISO 7214:2007. It supersedes BS EN ISO 7214:2002 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/24, Testing of rigid and flexible cellular materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

BSI Committee PRI/24 has become aware of a problem with this standard. It is reported to be impossible to manufacture a tear strength cutting die to the dimensions specified in Figure 1. This matter has been referred to the international committee, ISO/TC 61.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2007
