National foreword

This British Standard is the UK implementation of EN ISO 8130-6:2010. It is identical to ISO 8130-6:1992, incorporating amendment 1:1998. It supersedes BS 3900-J3:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/10, Methods of test for paints.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Sector Board for, Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 August 1998
