National foreword

This British Standard has been prepared by Technical Committee PKW/2 and is the English language version of EN ISO 8367-1:1996 *Packaging — Dimensional tolerances for general purpose sacks — Part 1: Paper sacks* published by the European Committee for Standardization (CEN). It is identical with ISO 8367-1:1993 published by the International Organization for Standardization (ISO).

The UK participation in its preparation was entrusted to Technical Committee PKW/2, Primary packaging, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee and enquirers on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
