Preparation of steel substrates before application of paints and related products — Surface preparation methods

Part 1: General principles

National foreword

This British Standard is the UK implementation of EN ISO 8504-1:2019. It is identical to ISO 8504-1:2019. It supersedes BS EN ISO 8504-1:2001, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/21, Paint systems and surface preparation for metallic substrates.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
