Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee TCI/24, Physical testing of textiles, upon which the following bodies were represented:

- Association of Consulting Scientists
- Association of Suppliers to the British Clothing Industry
- British Apparel and Textile Confederation
- British Measurement and Testing Association
- British Polyolefin Textiles Association
- British Retail Consortium
- British Textile Machinery Association
- British Textile Technology Group
- British Throwsters Association
- International Wool Secretariat
- Ministry of Defence
- Royal Pharmaceutical Society of Great Britain
- SATRA Footwear Technology Centre
- Soap and Detergent Industry Association
- Society of Dyers and Colourists
- Textile Finishers' Association
- Textile Institute
- United Kingdom Accreditation Service

The following bodies were also represented in the drafting of the standard, through subcommittees and panels:

- British Clothing Industry Association
- Department of Health
- European Sterilization Packaging Association (UK)
- Guild of Hospital Pharmacists
- Institute of Sterile Services Management
- Medical Sterile Products Association
- National Wool Textile Export Corporation
- Surgical Dressings Manufacturers Association

This British Standard, having been prepared under the direction of the Sector Board for Materials and Chemicals, was published under the authority of the Standards Board and comes into effect on 15 March 1997

National foreword

This British Standard has been prepared by Technical Committee TCI/24 and is the English language version of EN ISO 9073-2:1996 *Textiles — Test methods for non wovens — Part 2: Determination of thickness* published by the European Committee for Standardization (CEN). It is identical with ISO 9073-2:1995 published by the International Organization for Standardization (ISO). This standard supersedes BS EN 29073-2:1992, which is withdrawn.

Cross-references

Publication referred to	Corresponding British Standard
EN 20139:1992 (ISO 139:1973)	BS EN 20139:1992 <i>Textiles. Standard atmospheres for conditioning and testing</i>
EN ISO 186:1996 (ISO 186:1994)	BS EN ISO 186:1996 <i>Paper and board — Sampling to determine average quality</i>

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN ISO title page, pages 2 to 8, an inside back cover and a back cover. This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

English version

Textiles — Test methods for nonwovens — Part 2: Determination of thickness

(ISO 9073-2:1995)

Textiles — Méthodes d'essai pour nontissés —
Partie 2: Détermination de l'épaisseur
(ISO 9073-2:1995)

Textilien — Prüfverfahren für Vliesstoffe —
Teil 2: Bestimmung der Dicke
(ISO 9073-2:1995)

This European Standard was approved by CEN on 1996-09-28. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
