National foreword

This British Standard has been prepared by Subcommittee PH/9/6 and is the English language version of EN ISO 9241-10:1996 *Ergonomic requirements for office work with visual display terminals (VDTs) — Part 10: Dialogue principles*, published by the European Committee for Standardization (CEN). It is identical with ISO 9241-10:1996, published by the International Organization for Standardization (ISO).

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
