National foreword

This British Standard reproduces verbatim ISO 9707:1991 and implements it as the UK national standard.

IN 1994 the European Committee for Standardization (CEN) accepted ISO 9707:1991 as European Standard EN ISO 9707:1994. As a consequence of implementing the European Standard this British Standard is renumbered as BS EN ISO 9707:1995 and any reference to BS ISO 9707 should be read as a reference to BS EN ISO 9707.

This British Standard is published under the direction of the Information and Documentation Standards Policy Committee whose Technical Committee DOT/15 has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international committee any enquiries on interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

NOTE International and European Standards, as well as overseas standards, are available from BSI Sales Department, BSI, Linford Wood, Milton Keynes, MK14 6LE.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
