

Specification for

Marine echo-sounding equipment

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Standards Policy Committee (GME/-) to Technical Committee GME/32, upon which the following bodies were represented:

- British Marine Equipment Council
- British Maritime Technology
- British Motor Ship Owners' Association
- British Waterways Board
- Department of Transport (Marine Directorate)
- General Council of British Shipping
- Lloyd's Register of Shipping
- Ministry of Defence
- North East Coast Institution of Engineers and Shipbuilders
- Shipbuilders' and Shiprepairers' Association

This British Standard, having been prepared under the direction of the General Mechanical Engineering Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 30 August 1991

Amendments issued since publication

Amd. No.	Date	Text affected

Amendment No. 1
published and effective from 15 February 1995
to BS 7474 : 1991

Specification for marine echo-sounding equipment

NOTE. The European Committee for Standardization (CEN) has accepted ISO 9875 : 1991 as a European Standard designated as EN ISO 9875 : 1994. This amendment implements EN ISO 9875 : 1994 as a British Standard in the BS EN series.

Implementation of European Standard

Front cover

Delete the existing cover page and substitute the attached.

AMD 8554/February 1995

National foreword

At the end of paragraph 1 insert the following new paragraph.

'In 1994 the European Committee for Standardization (CEN) accepted ISO 9875 : 1991 as European Standard EN ISO 9875 : 1994. As a consequence of implementing the European Standard this British Standard is renumbered as BS EN ISO 9875 and any reference to BS 7474 should be read as a reference to BS EN ISO 9875.'

AMD 8554/February 1995

New EN title page

Immediately after the national foreword insert the attached new EN title page and foreword page.

AMD 8554/February 1995

Construction navale — Appareils de sondage par écho
(ISO 9875 : 1991)

Schiffbau — Echolote
(ISO 9875 : 1991)

This European Standard was approved by CEN on 1994-08-22. CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Portugal, Spain, Sweden, Switzerland and United Kingdom.
