National foreword

This British Standard has been prepared by Technical Committee CW/32, and is the English language version of EN ISO 9994:1996 *Lighters — Safety specification*, published by the European Committee for Standardization (CEN). It is identical with ISO 9994:1995 published by the International Organization for Standardization (ISO). It supersedes BS 6908:1988 which is withdrawn.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
