

Specification for

Polyester plain (bobbin) netting suitable for aerospace purposes

Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Aerospace Standards Policy Committee (ACE/-) to Technical Committee ACE/54, upon which the following bodies were represented:

- British Fabric Association
- British Rubber Manufacturers' Association
- British Textile Employers' Association
- Man-made Fibres Producers' Committee
- Ministry of Defence
- Society of British Aerospace Companies Limited
- Society of Dyers and Colourists

This British Standard, having been prepared under the direction of the Aerospace Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 28 June 1991
