

BSI Standards Publication

Alpine skis — Binding mounting area — Requirements for test screws

National foreword

This British Standard is the UK implementation of ISO 10045:2017. It supersedes BS ISO 10045:1991, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SW/136, Sports, playground and other recreational equipment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
