National foreword

This British Standard is the UK implementation of ISO 10110-11:1996, incorporating corrigendum September 2006.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by ISO corrigendum September 2006 is indicated in the text by AC1 AC1.

The UK participation in its preparation was entrusted by Technical Committee CPW/172, Optics and photonics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Consumer Products and Services Sector Board, was published under the authority of the Standards Board and comes into effect on 15 July 1996
