

BS ISO 10110-11:2016

BSI Standards Publication

Optics and photonics — Preparation of drawings for optical elements and systems

Part 11: Non-toleranced data

National foreword

This British Standard is the UK implementation of ISO 10110-11:2016. It supersedes BS ISO 10110-11:1996 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CPW/172, Optics and Photonics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
