National foreword

This British Standard is the UK implementation of ISO 11093-7:2011. It supersedes BS ISO 11093-7:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PAI/11, Methods of test for paper, board and pulps.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

ICS 85.060; 85.080.30

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 October 2011.

Amendments issued since publication

Date	Text affected
------	---------------

Paper and board — Testing of cores —
Part 7:
Determination of flexural modulus by the
three-point method

Papier et carton — Essais des mandrins —

Partie 7: Détermination du module de flexion par la méthode à trois points
