National foreword

This British Standard is the UK implementation of ISO 11433:1993+A1:2013. It supersedes BS ISO 11433:1993 (dual numbered as BS 6783-15:1994), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee I/-, Miscellaneous standards materials and chemicals.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Non-ferrous Metals Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 June 1994
