

BSI Standards Publication

Plain bearings — Pedestal plain bearings

Part 2: Side flange bearings

National foreword

This British Standard is the UK implementation of ISO 11687-2:2020.

The UK participation in its preparation was entrusted to Technical Committee MCE/12, Plain bearings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
