

Micrographics — Image mark (blip) used with 16 mm and 35 mm roll microfilm

ICS 37.080

National foreword

This British Standard was published by BSI. It is the UK implementation of ISO 11962:2002.

The UK participation in its preparation was entrusted to Technical Committee IDT/1, Document imaging applications, to Subcommittee IDT/1/2, Applications.

A list of organizations represented on IDT/1/2 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard, having been prepared under the direction of the Disc Board, was published under the authority of the Standards Policy and Strategy Committee on 6 August 2002
