Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee CH/9, Orthotics and external prosthetics, upon which the following bodies were represented:

- Association of Prosthetists and Orthotists
- British Limbless Ex-Service Men’s Association
- British Medical Association
- British Orthopaedic Association
- British Surgical Trades Association
- Chartered Society of Physiotherapy
- College of Occupational Therapists
- Department of Health
- International Society for Prosthetics and Orthotics (United Kingdom National Society)
- National Centre for Training and Education in Prosthetics and Orthotics
- Royal College of Surgeons of England
- Scottish Office

This British Standard, having been prepared under the direction of the Health and Environment Sector Board, was published under the authority of the Standards Board and comes into effect on 15 March 1997
