

BSI Standards Publication

Buildings and civil engineering works — Sealants — Specifications for test substrates

National foreword

This British Standard is the UK implementation of ISO 13640:2018. It supersedes BS ISO 13640:1999, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/547, Sealants for building and construction.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
