National foreword

This British Standard is the UK implementation of ISO 13797:2012.

The UK participation in its preparation was entrusted by Technical Committee SME/32, Ships and marine technology - Steering committee, to Panel SME/32/-/4, Ships and marine technology - Outfitting and deck machinery.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
