

BSI Standards Publication

## **Ships and marine technology — Ship's mooring and towing fittings — Recessed bitts (steel plate type)**

---

## National foreword

This British Standard is the UK implementation of ISO 13798:2020. It supersedes BS ISO 13798:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SME/32, Ships and marine technology - Steering committee.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
