

BSI Standards Publication

Steel sheet, metallic-coated by the continuous hot-dip process for corrugated steel pipe

National foreword

This British Standard is the UK implementation of [ISO 16172:2018](#). It supersedes [BS ISO 16172:2011](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/109, Coated and Uncoated Flat Products to be Used for Cold Forming.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
