National foreword

This British Standard is the UK implementation of ISO 18418-1:2016. It supersedes BS ISO 18418-1:2014 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/22, Engines for road vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
