

Water safety signs and beach safety flags —

Part 2: Specifications for beach safety flags — Colour, shape, meaning and performance

ICS 01.080.10; 97.220.40

National foreword

This British Standard is the UK implementation of ISO 20712-2:2007.

The UK participation in its preparation was entrusted by Technical Committee PH/8, Graphical symbols and signs, to Subcommittee PH/8/1, Safety signs (including fire safety signs).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 March 2008
