Ships and marine technology — Thermally toughened safety glass panes for windows and side scuttles

National foreword

This British Standard is the UK implementation of ISO 21005:2018. It supersedes BS ISO 21005:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SME/32, Ships and marine technology - Steering committee.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
