

BSI Standards Publication

Buildings and civil engineering works — Modular coordination — Module

National foreword

This British Standard is the UK implementation of ISO 21723:2019. It partially supersedes BS 6750:1986, specifically the content which is technically equivalent to ISO 1006:1983, ISO 1040:1983, ISO 6512:1982, ISO 6513:1982 and ISO 6514:1982.

The UK participation in its preparation was entrusted to Technical Committee CB/-/8, ISO/TC 59 Input Coordination.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
