

Diesel engines — NO_x reduction agent AUS 32 —

Part 3: Handling, transportation and storage

ICS 43.060.40

National foreword

This British Standard is the UK implementation of ISO 22241-3:2008.

The UK participation in its preparation was entrusted to Technical Committee MCE/22, Engines for road vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2008
