

Paper — Cut-size office paper — Measurement of edge quality

ICS 85.080

National foreword

This British Standard was published by BSI. It is the UK implementation of ISO 22414:2004.

The UK participation in its preparation was entrusted to Technical Committee PAI/11, Methods of test for paper, board and pulps.

A list of organizations represented on PAI/11 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 January 2007
