Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee MHE/7, Industrial trucks, upon which the following bodies were represented:

- Automated Mechanical Handling Systems Association
- British Gas plc
- British Industrial Truck Association
- Castor Manufacturers (UK) Association
- Department of Trade and Industry (Engineering Markets Division)
- Federation of Manufacturers of Construction Equipment and Cranes
- Food and Drink Federation
- Health and Safety Executive
- Ministry of Defence
- Ports' Safety Organisation

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 July 1996
