

BSI Standards Publication

Road vehicles — Clevis couplings — Interchangeability

National foreword

This British Standard is the UK implementation of [ISO 3584:2020](#).

The UK participation in its preparation was entrusted to Technical Committee AUE/13, Commercial and public service vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
