National foreword

This British Standard reproduces verbatim ISO 3618:1994 and implements it as the UK national standard.

This British Standard supersedes BS 3309:1978 which is withdrawn.

This British Standard is published under the direction of the Consumer Products and Services Sector Board whose Technical Committee CPM/14 has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international committee any enquiries on interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

NOTE International and European Standards, as well as overseas standards, are available from Customer Services, BSI, 389 Chiswick High Road, London W4 4AL.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
