Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Textiles and Clothing Standards Policy Committee (TCM/-) to Technical Committee TCM/33, upon which the following bodies were represented:

- British Association of Clothing Machinery Manufacturers
- British Narrow Fabrics Association
- British Paper and Board Industry Federation
- British Textile Machinery Association
- British Textile Technology Group
- Clothing and Footwear Institute
- Confederation of British Wool Textiles Limited
- Consumer Policy Committee of BSI
- Health and Safety Executive
- Knitting Industries' Federation Ltd.
- Textile Finishers' Association
- Textile Institute
- Textile Research Council (HATRA)
- University of Manchester Institute of Science and Technology

This British Standard, having been prepared under the direction of the Textiles and Clothing Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 August 1993

Text of ISO 368	1

National foreword

This British Standard reproduces verbatim ISO 368:1991 and implements it as the UK national standard.

This British Standard is published under the direction of the Textiles and Clothing Standards Policy Committee whose Technical Committee TCM/33 has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international committee any enquiries on interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

BS ISO 368:1993 supersedes BS 5232:1976, which has already been withdrawn.

NOTE International and European Standards, as well as overseas standards, are available from Customer Services, Publications, BSI, Linford Wood, Milton Keynes, MK14 6LE.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the ISO title page, pages ii to iv, pages 1 to 8 and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
