**National foreword**

This British Standard is the UK implementation of ISO 4383:2012. It supersedes BS ISO 4383:2000 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/12, Plain bearings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
