

BSI Standards Publication

Soya bean products - Determination of urease activity

National foreword

This British Standard is the UK implementation of ISO 5506:2018. It supersedes BS 4325-6:1989, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AW/307, Oilseeds, animal and vegetable fats and oils and their by-products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
