# Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Paper and Printing Standards Policy Committee (PAM/-) to Technical Committee PAM/11, upon which the following bodies were represented:

- British Carton Association
- British Fibreboard Packaging Association
- British Paper and Board Industry Federation
- British Printing Industries' Federation
- British Textile Confederation
- Envelope Makers' and Manufacturing Stationers' Association
- Her Majesty's Stationery Office
- Institute of Paper Conservation
- Pira International
- Post Office
- University of Manchester (Institute of Science and Technology)
- Coopted member

This British Standard, having been prepared under the direction of the Paper and Printing Standards Policy Committee, was published under the authority of the Standards Board and comes into effect on 15 March 1994

## National foreword

This British Standard reproduces verbatim ISO 5626:1993 and implements it as the UK national standard.

This British Standard is published under the direction of the Paper and Printing Standards Policy Committee whose Technical Committee PAM/11 has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international committee any enquiries on interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

BS ISO 5626:1993 supersedes BS 4419:1980, which is withdrawn.

NOTE International and European Standards, as well as overseas standards, are available from Customer Services, Publications, BSI, Linford Wood, Milton Keynes, MK14 6LE.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

**Compliance with a British Standard does not of itself confer immunity from legal obligations.**

### Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the ISO title page, pages ii to iv, pages 1 to 8 and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
