

BSI Standards Publication

Electrically propelled road vehicles — Safety specifications

Part 2: Vehicle operational safety

National foreword

This British Standard is the UK implementation of ISO 6469-2:2018. It supersedes BS ISO 6469-2:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/69, Electric vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
