Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Consumer Products and Services Sector Board to Technical Committee CPM/10, upon which the following bodies were represented:

- Association of Teachers of Printing and Allied Subjects
- British Association of Oral and Maxillo-Facial Surgeons
- British Dental Association
- British Kinematograph, Sound and Television Society
- British Photographic Association
- British Printing Industries Federation
- College of Radiographers
- Institute of Physics
- Institute of Practitioners in Advertising
- Lighting Industry Federation Ltd.
- Ministry of Defence
- Oil and Colour Chemists' Association
- PICON
- Periodical Publishers' Association Ltd.
- Photogrammetric Society
- Pira International
- Royal Photographic Society
- University of Westminster

This British Standard, having been prepared under the direction of the Consumer Products and Services Sector Board, was published under the authority of the Standards Board and comes into effect on 15 March 1995

Text of ISO 7004	1

National foreword

This British Standard reproduces verbatim ISO 7004:1987 and implements it as the UK national standard. It supersedes BS 5230:1975 which is withdrawn.

This British Standard is published under the direction of the Consumer Products and Services Sector Board whose Technical Committee CPM/10 has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international committee any enquiries on interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

NOTE International and European Standards, as well as overseas standards, are available from Customer Services, BSI, 389 Chiswick High Road, London W4 4AL.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the ISO title page, pages ii to iv, pages 1 to 8 and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.
