Wheelchairs

Part 6: Determination of maximum speed of electrically powered wheelchairs

National foreword

This British Standard is the UK implementation of ISO 7176-6:2018. It supersedes BS ISO 7176-6:2001, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/173, Assistive products for persons with disability.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
